

The countdown continues, Vincent!

On Monday, July 26th, we will begin our annual COOPSC Breakout session,

But, and apologies for the *long email*, before we meet, here are some:

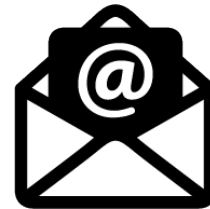

- Requests
- Announcements
- Agenda Updates
- Webex Meeting Reminders

REQUESTS

Jordan Arnswald (LANL) would like to make her Post-Pandemic Planning session more interactive and needs your help to do so.

Please send jordan.arnswald@nnsa.doe.gov your answers to these questions:

1. 20 years from now, what is one thing you don't want to forget from this pandemic?
2. What was the most painful thing you learned that you don't want to repeat?
3. What remaining questions do you have that are still unanswered?

Send by July 28th

ANNOUNCEMENTS

COOPSC Coordinator Transition

It's my pleasure to reintroduce **Berna Woods** who is returning as the COOPSC Coordinator. She'll begin her transition back into this role during next week's Breakout Sessions.

While it's been a privilege to be your coordinator this past year, there just aren't enough hours in the day to provide the support your subcommittee deserves.

Please join me in welcoming Berna back to this merry bunch!

Vice-Chair Elections

Please send berna.woods@nnsa.doe.gov your nomination (can be yourself) for the 2021-2022 COOPSC Vice-Chair position
