[Are You Out of Date](#)

EMI SIG has implemented a new subcommittee enrollment and membership profile. Be sure your information is up-to-date.

[4 Weeks and Counting](#)

The December 19th deadline to submit your proposal for the 2019 EMI SIG Annual Meeting will be here before you know it!

[FEMA Offers Expedited Post-Disaster Training to First Responders](#)

FEMA's Center for Disaster Preparedness (CDP) can deploy 50 one- to four-hour, post-disaster training modules to public safety and emergency management agencies at their home bases in 24 hours.

[Honoring First Responders](#)

Our nation's first responders rush into life-threatening situations for the benefit of others," Chief Postal Inspector Guy Cottrell, Postal Inspection Service, said. "The Postal

Service is pleased to honor their skill, dedication and unflinching bravery with this stamp."

[Triage, Ethics, and Operations, the Healthcare Emergency Preparedness and Response](#)

The complexities of prioritizing limited resources and the importance of ensuring systems can effectively support operational decisions. "How we allocate the resources that we have in disasters; how we choose who gets the resources ... is going to affect the outcome," said Dr. Fink.

[DOE's First Grid Software Competition](#)

The GO Competition is calling on the ingenuity of the U.S. innovation community to help us modernize the United States grid and address the challenges it is facing today and tomorrow

[DHS and NASA Pilot Artificial Intelligence to Aid First Responders](#)

"AUDREY learns, analyzes, reasons, predicts, collaborates, and provides data fusion to provide direction for first responders on the scene," said Dr. Edward Chow, manager of the Civil Programs Office at NASA JPL. "In other words, AUDREY has the potential to serve as a sort of guardian angel for first responders while responding to an emergency."

[An NNSA Employee Salute, Thank you for your service](#)

Many team members spend decades of their lives committed to preserving our nation's security in a variety of ways. When one of our own reaches a major career milestone, we take the opportunity to say, "Thank you for your service."
