

**Our Mission:** To coordinate, collaborate, benchmark, and share resources among emergency management professionals and to identify, explore, and achieve DOE Enterprise objectives in the Readiness Assurance space.

## ERASC Initiatives to Achieve Complex Objectives:

- eCRAD WG re-aligned to develop ECHO CRAD
- EMCAT launched online terms tool and validated/revised terms for ECHO
- IMWG decoupled ECHO from DOE O 227.1A, *Independent Oversight Program* to simplify issues management, and provided new text for performing evaluations
- Metrics WG re-aligned to support PULSE initiative
- NTC Learning Nucleus Course revision
- PULSE & FY25 ERAP template development
